

## **Burtle Parish Council Summary 1<sup>st</sup> August 2018**

**Highways** Cllrs are pleased to see that all of the barbed wire at Godwin's site has now been removed and replaced with stock fencing.

**Godwin's site** Cllrs were pleased to learn that the Senior Enforcement Officer at Mendip has visited the site and that she has stressed to the SWWP the urgency of the formal application for a Certificate of Lawful Existing Use (CLEUD) which was promised some eight months ago. This will enable the process of determining whether the activity on the site is lawful to proceed.

**Burtle Inn** Councillors understand that the agents have informed Sedgemoor Planning Office that the new application for the whole of the site will be submitted soon and the work that has been carried out since the Enforcement notice was issued was to secure the site.

**Speedwatch signs** The County Traffic Engineer has returned to work and has approved the proposed locations for the signs. Councillors agreed to the purchase of the signs at the cost quoted.

**Facebook** was raised and Cllrs confirmed that the Burtle Village Hall and Community Noticeboard Facebook site is run by villagers and is not affiliated to the Parish Council in any way. There is a Parish Council page on the Burtle website with details of members together with a contact form for matters that are relevant to the Parish Council. Members of the village are welcome to attend Parish Council meetings which are held on the first Wednesday of each month in the Village Hall.

**Date and time of next meeting Wednesday 5<sup>th</sup> September at 7.30pm in the Village Hall**
