

Burtle Parish Council Summary – March 2019

An extra meeting was held on 27th March to discuss a planning application in time to meet the deadline for comments. Application to site a caravan on land adjacent to Swallows Nest, Burtle Road whilst the previously agreed house is being built was discussed. Cllrs supported the application but made a note that they would like to see the caravan removed when the house is completed.

Concerns have been raised by a parishioner regarding a caravan at Robins Cottage, Robins Lane. Cllrs agreed to write to the owner of the property to ask for more information.
