

Contact Numbers

In the event of wanting to call the Burtle Village Hall please call the following number:

BURTLE VILLAGE HALL ► **01278 287837**

Burtle Village Hall uses professional cleaners who clean and sanitise the hall on a regular basis

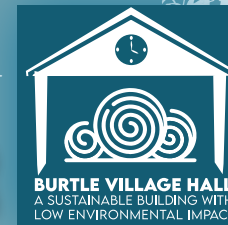

In addition a 'fogging' machine is also used...

Benefits include:

- Quick and significant results to clean and disinfect
- Robust and easy to use
- A wet fog destroys harmful airborne bacteria and infectious organisms
- The machine has given confidence to regular groups and will hopefully assure those thinking of attending any future social event at the hall

BURTLE VILLAGE HALL NEWSLETTER

AUGUST 2021

As I write this report the sun is actually shining! We have certainly had enough rain in the last month or so. We really hope the sun continues to shine and that it is a warm evening on Saturday 14th August for the 'Pork and Cider' event. The plan is to have as many tables and chairs outside in front of the hall, weather permitting, as well as those inside the hall. Details for this event and the 'Newcomers Welcome morning' are in this Newsletter. We are so looking forward to opening up the hall for social events once again after such a long absence.

Obviously, please do not attend any event at the hall if you are feeling unwell or have any Coronavirus symptoms to reduce the risk of passing on any illness to friends, family and others in the community. With cases still rising, we all need to be careful to keep each other safe and it is totally understandable if some people do not yet feel ready to attend events. Others we know are raring to get back to 'normality' and with more people being vaccinated and less severe cases, it is looking a more positive picture.

PORK & CIDER EVENING

**Saturday
14th August
7.15pm
Village Hall**

**FREE EVENT,
NO TICKETS REQUIRED**

- ✓ Bar open at 7.15pm (Cash Bar)
Food served from 7.30m
- ✓ Home cooked quality Pork in lovely fresh Baps, with a variety of accompaniments
- ✓ Bar open all evening – cash or card
- ✓ Variety of local good ciders, along with other bar drinks
- ✓ No need to book!
but it would be helpful to let any committee member know so that we have a rough idea of numbers

Please be assured that even though the Government restrictions have eased, the Burtle Village Hall will continue with its rigorous cleaning and sanitising schedule, plus the 'fogging' of all areas of the hall, before and after any use. This is costly but we believe it is the right thing to do for the foreseeable future. It has given confidence to regular groups who are already using the hall and hopefully will do for other groups who are returning and to anyone who is thinking of attending any social event held at the village hall.

Maintenance continues at the Burtle Village Hall and gradually the list of 'jobs' are being ticked off, although items are always being added to that list! Service contracts are kept up to date and the hall is in good working order. Even though the hall was closed for so long and only has limited use at the moment, all these processes have continued and we have worked hard on projects to improve and enhance the hall, all of which have been written about in the Newsletter. However, although this 'behind the scenes' work is important, we can't wait to have people back using and enjoying the Burtle Village Hall once more. Stay safe, keep well and look after each other.

*Lyn Goodliffe –
Chair Burtle Village Hall*

The draw for the Burtle Village Hall 100 Club 2021 took place in July in front of witnesses with social distancing of course!

We are delighted to announce the winners as follows;

First Prize £20
Elaine di Campo
(number 48)

Second Prize £10
Ian Simmonds
(number 100)

Congratulations to both winners and commiserations to the rest of us!!
Thank you to all the members of the BVH 100 Club for supporting the Burtle Village Hall.
